Was Murdered—The Island Queen—Mexican Matters—The Collisions—Shot—Other News Notes.

## A Terrible Tragedy.

LEXINGTON, N. Y., May 8.—A terrible tragedy took place this morning near Spring Station, on the farm of Captain James Blackburn, ex Secretary of State, and a brother of Senator J. C. S. Blackburn. Miss Henrietta Blackburn, accompanied by her cousin, Henrietta Hempstead, a young lady of 19 years, went out to shoot at a mark with a small rifle. They were joined by Samuel Blackburn, a young man of 22, a brother to Miss Henrietta Blackburn, and a friendly contest was begun as to who should shoot at the mark first. The three engaged in a playful struggle for possession of the rifle, and in the struggle the weapon was discharged, the ball piercing the heart of Miss Henrietta Hempstead, and killing her instantly. The unfortunate young lady gave a slight scream, dropped on the green grass and breathed her last before her horrified cousins realized the awful calamity that had befallen them. Messengers were hurried off for medical or other assistance, and it was with the utmost difficulty that Miss Blackburn and Mrs. Hempstead, the mother, could be restored from the shock occasioned by the unexpected and terrible death of the young lady. Miss Hempstead was a great favorite in the community. The funeral will take place on Monday afternoon at Frankfort.

## Was Murdered.

JACKSON, Miss., May 8.—The jury of inquest in the case of R. D. Gamberell, editor of the *Sword and Shield*, who was shot and killed late Thursday night by Col. Jones S. Hamilton, lessee of the penitentiary, adjourned at 11:30 o'clock last night, after two days of almost continuous session. It rendered a verdict as follows: "We the jury of inquest in the case of death of Roderick Gamberell, find that he came to his death from pistol shots and wounds inflicted by the hands of Jones S. Hamilton, as principal, and others as abettors unknown to the jury."

## Temporarily Insane.

ST. LOUIS, May 8.—A special from Omaha, Neb., says: E. Oliver, of Beardley, Ill., jumped from the west-bound train on the Burlington road at Iowa Point, and was drowned in the Missouri River, yesterday. He was frightened by two confidence men who were working him. He ran to the platform, dragging with him his 5-year-old child. The conductor grabbed the boy in time to save him. Mr. Oliver was temporarily insane.

## A Thief Caught.

CHICAGO, May 8.—A mulatto, named Harry Ward, alias "Diamond Harry," who has been under surveillance of detectives here several days, was arrested to-night. He had just pawned a \$300 diamond ring for a trifling amount, and had on his person several hundred dollars worth of jewelry which had been stolen. The police think he was connected with the recent diamond robberies in Washington, New York and New Albany.

## Shot According to Law

ST. LOUIS, May 8.—A dispatch from Nogales, Arizona, says: A good deal of doubt having been thrown on previous reports that Cajome, the famous Yaqui Indian chief, has been shot, the matter was set at rest to-day, by the reception of a telegram from Governor Torres, of Sonora, saying Cajome was shot after a short trial, according to law.

## Drowned at Baptism.

CHICAGO, May 8.—A special to the *Inter-Ocean* from New Orleans, says several colored congregations of Baptist churches, in this city, have long made a practice to baptize members in the Mississippi River at certain selected points both in the upper and lower districts of the city. The swift current of the river has always made it more or less dangerous. Nothing happened till to-day. To-day, however, an accident happened at which seven lives are known to, and more may, have been lost. Mount Zion Baptist Church has been baptizing its converts at the foot of District Street, where a large wharf extends into the water. This morning the congregation gathered at the spot for the usual ceremonies. A large crowd assembled on the wharf and in the midst of the exercises the railing surrounding it gave away, and tall fifty people were precipitated into the water. All around the wharf were skiffs and into these many people were thrown. The occupants of those skiffs which floated went to work and rescued all those who could be reached. As stated, however, seven are known to have been drowned and the list is believed to be from five to eight more. Rasefine Williams (colored) when she went into the water had a child in her arms. She struggled until she came to the surface and held the child up until one of the skiffs rescued the child, but she was carried away by the current. Her body is now held by the police for identification.

## The Island Queen.

BOSTON, May 8.—Queen Kapiolani, Princess Liliuilani and others of the royal party, arrived in this city this morning, and accompanied by a committee of the city government proceeded directly to the Parker House, where they are quartered. The queen remained at the hotel till late this afternoon, and the princess and General Tomlinson attended Park Street Church in the forenoon. About noon the mayor and Mrs. O'Brien called at the hotel and paid their respects to the queen, and Adjutant-General Dalton called to present a letter greeting from Governor Ames. Her majesty attended services in Trinity Church at 4 p. m., in company with the princess, and at 6 a select party dined at Parker's. This evening the princess and other visitors witnessed a performance of the oratorio, *Golden Legend*, in the Music Hall, the queen remaining in her apartments. During the day Col. Boyd was shown the city sewerage system in which he appeared greatly interested. Individual members of the party were entertained in various ways by members of the city committee.

## Mexican Matters.

CITY OF MEXICO, via Galveston, May 8.—Colonel Moore, the new American Consul-General, arrived to-day.

President Raoulo and vice-president Dodge, of the National Railway, and party, yesterday inspected the Pacific division of the road. The nominal sale of the company's property in order to perfect the transfer to the new company, takes place on the 23d. There is now nothing in the way to obstruct the legal transfer of the property in this country to the new organization, and work on the uncompleted section of the main line is expected to begin within a few months.

## The Collisions.
